Making Every Child's Possibility a Reality

Studies show that **parental involvement** in a child's education is one of the most important factors in raising student self-esteem and academic achievement. Moreover, most experts agree that parental involvement should go beyond attendance at teacher conferences and open house.

We realize, however, that each of our families is unique – with its own priorities, needs, talents, and time constraints -- and so we try to provide as many different kinds of opportunities for parental involvement as possible.

Membership is easy and **FREE**, you get all the benefits of membership for the entire school year, including the right to **have a say in important school issues; notices about upcoming events**, issues and meetings; access to **resources and information** that can help your child succeed in school and help with family dynamics at home. Meetings are just once a month, lasting about an hour, and you can choose which, if any, events you wish to participate in, and how you wish to participate.

With membership, you will be notified monthly about further meetings, events and ways you can help. If you would like to be a powerful influence for your child's education, meet great people, and have fun supporting our school, please become a member! Simply complete the information below and return to your child's teacher with attention to PTA (in an envelope if possible) or email to ptsa@ftsd.org. You can also mail it to Frenchtown PTSA at P.O. Box 300, Frenchtown, MT 59834.

Thank you!
